

Safety Data Sheet Resources – Art/Facilities/Theater

Use the links below to obtain Safety Data Sheets (SDS) for spray paints, paints, primers, caulks, adhesives, sealers, pipe cement, pipe primers, and other similar products as an alternative to using the college's chemical inventory system.

The electronic version is available here –

<https://www.ursinus.edu/offices/environmental-health-and-safety/workplace-safety/>

or you can scan the QR code to access.
