

2026-2027 Dependent Household Information Form – Completion Guide

Please use this guide to help you complete the required 2026-2027 Household Information Form.

Step 1: Student and Household Information

Fill in personal information as directed.

Use the table to indicate all members of your family household. This should include your legal parent(s)*, siblings, and any other members of the household for which your legal parent(s) provides more than 50% of their monetary support. Also indicate whether each household member will be enrolled in college at least half-time during the 2026-2027 school year.

*Legal parents are biological or adoptive (regardless of gender), or as determined by the state (for example, if the parent is listed on the birth certificate). Grandparents, foster parents, legal guardians, widowed stepparents, aunts, uncles, and siblings are not considered parents on the FAFSA form unless they have legally adopted the student. If a student's legal parent has remarried, the stepparent should be included on this form even if they have not legally adopted the student.

Step 2: Certifications and Signatures

Sign and date. Both the student and one legal parent will need to sign and date the form. ***Do not submit any additional documents containing Personally Identifiable Information, such as a social security number, via email.***
